

# Positivi-tree!

Take a few moments to think about all the things you find positive about yourself or exciting about moving up to high school. When you have some ideas add them to tree as new leaves. This is your tree of positivity - reminding you of how capable you are!

Remember, just like a tree you can:

**Stand tall**

**Be unique**

**Keep reaching  
higher**

**Connect to your  
roots for strength**

**Embrace growth  
and change**
